Clear enamel & powder coating available upon request. (10% price increase)			

MATERIALS

Brass

METAL SURFACE MAINTENANCE

All LOST PROFILE metal surfaces are waxed.

These metal surfaces are designed to age and patinate when exposed to hand oils and the elements.

Clear enamel coating is available on request.

Enamelling does not stop the patination process, it just slows the process down.

PRICING AND LEAD TIMES

All LOST PROFILE products are made to order with a 4-6 week lead time.

Please contact us or your nearest LOST PROFILE representative for current pricing.

NOTE

Fixing screws are supplied. Please inform us of the substrate material you are fixing to, and the material thickness. We will supply fixing screws to suit.
